It is the desire of _____
(investigator)

to research the materials of the Buechel Memorial Lakota museum.

The purpose of this research is to _____

If, during the course of the study by the researcher of the museum holdings, a photograph should be desired of a particular item from the materials collection, the Museum Director will cooperate to the best of his ability and in keeping with the curatorial needs of the artifact and general display. The photograph will be taken by a museum staff member as time and circumstance allows. All efforts will be exercised to accommodate the individual need based on the above conditions.

All reproductions of photographic images of the Photo Archives of the Buechel Memorial Lakota Museum should be produced by the Museum staff or by an assignee of the Director's choice.

It's an established policy of the Board of Directors of the Buechel Memorial Lakota Museum that model releases be obtained whenever possible before a photographic image is released for publication by an outside person or organization. Such releases will be obtained in a manner and procedure established by the board.
